EXECUTIVE PRINCIPAL'S WELCOME

Thank you for your interest in the post of Teacher of Design Technology at Wade Deacon High School. I hope that the information contained within this pack provides sufficient information for you and helps you to decide if you have the right qualities, skills and experience to apply for the position.

I am extremely proud to be Executive Principal of this great school and, of course, I am so proud of our immensely talented students and our team of staff who make Wade Deacon High School the 'Outstanding', exciting and dynamic organisation that it is today. We are a school with a strong moral drive and purpose and understand our responsibilities in ensuring that, regardless of starting point, background or prior attainment, our students achieve their full potential and are well equipped to deal with life's many challenges when they leave us.

Our latest 'Outstanding' Ofsted report from November 2022 celebrates our wonderful students, staff and the exceptional school that serves our local community and whilst we have always known how truly exceptional our school is, we are delighted to have had this confirmed. We are especially proud of the feedback we received from the team of Inspectors about our students; who repeatedly praised our children, telling us that they 'behave impeccably well' and that they 'respect the uniqueness of individual people.' Whilst we know as a school that this is true of our students, it is always wonderful to hear such positive affirmations from external visitors.

We are an Outstanding 11-16 comprehensive school with 1620 students currently on roll. The school is heavily oversubscribed year on year and enjoys an enviable reputation, both locally and nationally. This reputation, and the respect that our local community holds for our school is symptomatic of the fact that we get the basics right: mutual respect and courtesy, exemplary standards across all strands of our students' work and impeccable uniform.

From each and every student, I ask for only three commitments: respect yourself and others, give the very best of yourself and believe in yourself and it is these commitments and the positive ways that our students embrace them, that creates the school's unique atmosphere and 'feel' which hopefully you will experience for yourself.

ABOUT OUR **SCHOOL**

Our History; We are proud of our rich history and heritage. Wade Deacon High School traces its origins back to 1507 when the original grammar school was founded by Bishop William Smyth. The main building, with its art deco façade, was opened in 1931 as Wade Deacon Grammar School, named after Sir Henry Wade Deacon; a prominent local industrialist and politician. We are a school which proudly builds on these traditions while embracing the modern world.

Our Community; We are a proudly comprehensive and inclusive school unwaveringly committed to serving our local community. The majority of the students live very close to the school and our intake covers the full range of abilities and a spectrum of diverse backgrounds. The school is held in great affection by the local community and we work hard to ensure that this excellent relationship is preserved. We are heavily involved in a range of community events and fundraising projects throughout the year with numerous charity organisations benefiting from the generosity of the Wade Deacon Family. We have close and important links with many community groups, local organisations and charities.

Our Students; We could not be more proud of our students who maintain the highest standards, both in school and in the wider community in terms of their positive attitudes to learning, their behaviour, their respect and their uniform. Visitors to our school routinely comment on how impressed they

are with the conduct of our students, and our most recent Ofsted Inspection celebrated how our students 'fully live out the school's values' through their 'exemplary behaviour' and 'respectful interactions'. Our students are very happy at school, and very proud to be part of the Wade Deacon Family.

The Wade Deacon Trust; We are a key member of a family of schools working collaboratively as equal partners, with a Commitment to Excellence in all we do for the benefit of our students, our staff and our communities. We celebrate and maintain the uniqueness of each of our schools, learning from each other and our wider partnerships.
